4. Type the Primary Parent/Guardian name and sign (using your mouse) on the line verifying you are the parent verifying the information entered. Please make note of Application # for future reference.

Welcome! Please type in your first and last name in the box below.

By typing your name into the box below you attest that you are the person authenticated into this application or an authorized user of this account, and the data you are entering/verifying is accurate and true to the best of your knowledge.

Please sign on the line below.

Clear

Submit

5. The Infinite Campus Welcome page will ask you to have information regarding the student. You will need the students birth certificate (if new to the district)
6. You will need to complete various screens regarding your existing household information. Please make sure that you verify and update these screens as necessary. The last screen will be information regarding the student you are enrolling for the upcoming school year.
7. When all information has been entered, press submit and the application will be placed in the application queue in our system. You will receive an email notification that the application has been submitted. If you do not receive this notification, your application has NOT been submitted. Information may be missing or incorrect.
