

Did you know that \$25 dollars can give a person enough water for the rest of their life?

Come join us for the first Thirst Project Walk to raise money for those without clean drinking water. The Thirst Project is a non-profit organization dedicated to providing families and communities throughout the world with clean drinking water to those who do not have quick and sanitary access. Donating money is not required but it is greatly appreciated! Snacks and water will be sold and all of the profits will be donated to the Thirst Project.

For more information about the mission and how your donation can help those in need, visit www.thirstproject.org or contact Key Club advisor Mark Montanye for any further questions.

Where:
MHS Football Field

When:
April 21st, from 9 A.M. to 12 P.M.

Mukwonago High School Key Club
