

# MUKWONAGO ATHLETIC BOOSTER CLUB

August, 2017

Dear MHS Parent:

The purpose of this letter is to ask you to consider supporting Mukwonago High School athletics by becoming a member of the MHS Athletics Booster Club. As a member you will be playing a significant role in continuing our strong support of the MHS athletic programs. Every school year, over 700 students participate in at least one sport at MHS, and many participate in as many as three or four sports in a school year.

As a parent of a high school athlete, you are aware of the ever increasing costs of maintaining a Division 1 level high school athletic program. The MHS Athletics Booster Club provides funding to participating sports teams for equipment, uniforms or other requests that are not funded by the school district. With your support MHS has been able to maintain the quality of the athletic programs and continues to be competitive in the Classic 8 conference and contributes to a meaningful high school experience for our children.

Since 2000, the Mukwonago High School Athletic Booster Club has provided over \$400,000 in support of MHS athletics. Every team at every level has benefited from this support. Not only have individual sports teams benefited, but the Booster Club has provided equipment and support for the athletic and fitness programs in general.

*For the basic membership fee of \$40, you and a guest can attend up to 12 different sporting events free of charge. That's a savings of up to \$80. If you and a guest attend only 4 sporting events you will cover the cost of the membership. The entire membership fee goes directly to support MHS athletics programs.*

I look forward to you joining the MHS Athletics Booster Club and continuing the strong support of MHS athletics we have been able to provide.

Sincerely,

John Thornton, Vice President ([mhsaboosterclub@gmail.com](mailto:mhsaboosterclub@gmail.com)) (cell: 414-303-1530)
