**GREAT
PLAYERS
ARE MADE
IN THE
SUMMER**

Our 31st Year!!!

The Mukwonago Basketball Camps are now in their 31st year. Last year more than 100 boys attended our camps. Campers will be exposed to a wide variety of fundamentals and an emphasis on how fun it can be to learn the game will be evident throughout. Our goal is to teach our campers the proper way to play the game while maintaining a very positive environment.

Each and every camper will receive daily individual instruction in basketball skills and fundamentals. They will be taught and drilled in the areas which are vital to the development of players and teams. They will play games each day, but more emphasis will be placed

on developing the vital skills needed to excel in the game of basketball. Shooting contests and/or skill competitions will be a part of each day.

As always, each camper will receive a camp T-shirt.

If your son cannot attend a few sessions, that's OK because we will prorate the fee for him to attend whatever days he's able to. Please call for more information!
