

# A New Way To RAISE FUNDS

Big Bend Elementary and Foodz4Fundz has partnered together to raise funds for the school.

Foodz4Fundz is a fundraising company that allows families to buy restaurant quality foods in bulk. In return, for every case purchased, Foodz4Fundz will then donate a portion back to Big Bend Elementary.

Foodz4Fundz is excited for this opportunity to help support your school and provide great quality foods.

Please visit [foodz4fundz.com](http://foodz4fundz.com) to view our products.
