Mukwonago Area School District
Building Better Schools Together

August 15, 2017

Dear Parents:

On behalf of the Mukwonago Area School District, I would like to welcome you and your children back to school. We're looking forward to a fantastic 2017-18 school year! Please know that we are aware of the overwhelming amount of information you receive from the district and our schools. However, Wisconsin school districts do have a legal obligation to share certain information with parents on an annual basis. To reduce paper, this letter includes a link to important MASD policies regarding academic standards, bullying and harassment, student attendance, free and reduced lunch applications, complaint procedures, and other pertinent material: http://www.masd.k12.wi.us/parents-students/masd-annualnotices.cfm.

Note that some of these policies are also legally required to be in our parent and student handbooks, posted in local newspapers, and distributed to certain parents. We will continue to abide by these legal requirements. If you have any questions or concerns regarding this information, please feel free to contact me or the following people:

Tim Lemke	Director of Pupil Services Title IX Compliance Officer	(262) 363-6300 x24200
Susan Muenter	Director of Human Resources Equal Opportunity Officer	(262) 363-6300 x24500

While visiting our website, you'll also find valuable information that should prove to be helpful throughout the school year such as busing, payment of school fees, or our calendar of events:

Best wishes for a great school year.

Sincerely,

Shawn McNulty,
