

2017-18 MHS Ala Carte Prices

The MHS cafeteria offers many ala carte food items. But remember — a Combo Lunch for \$3.00 is the very best value and provides more balanced nutrition than most ala carte selections. View your child's cafeteria purchases on the Infinite Campus parent portal. If you would like to place a spending limit or ala carte restriction on your child's account, please contact Tina Otto at 262-363-6200 x25602 or ottoti@masd.k12.wi.us. If you have any questions or comments regarding the food service program, please do not hesitate to contact Pam Harris, District Food Service Supervisor at 262-363-6200 x25601 or harripa@masd.k12.wi.us.
