IMPORTANT NEWS

Students currently approved for free or reduced-price meals are eligible through October 1, 2017. Please complete a new application form during registration in the fall. This will prevent disruption in your child's lunch service. The 2017-18 application form will not be available until August. Newly approved applications will be valid through the entire 2017-18 school year.

If your child is approved through the Direct Certification process, you will be notified in mid-August. If you have questions regarding free or reduced-price meals, please contact Pam Harris at 262-363-6200 x25601.
