Menus for the new school year will be available on our web page in early August. Just click the Lunch Menu link on your school's website!

Be sure to visit the cafeteria during your school's Open House in August to get more information about our school lunch program!

NEWS RE: MEAL ASSISTANCE

Students currently approved for free or reduced-price meals are eligible through October 1, 2018. Please complete a new application form during registration in the fall. This will prevent disruption in your child's lunch service. The 2018-19 application form will not be available until August. Newly approved applications will be valid through the entire 2018-19 school year.

If your child is approved through the Direct Certification process, you will be notified in mid-August. If you have questions regarding free or reduced-price meals, please contact Pam Harris at 262-363-6200 x25601.

coming in fall

Great news for parents of children with any of the eight most common food allergies: We are bringing back our **nutrislice** menu app for 2018-19 and it will identify menu items containing the big eight. Allergen information is currently being compiled for our 350+ food items and ingredients. We will also continue to offer our popular "Printable Menu" for elementary schools.

May-June 2018

Kick Off Summer!

**Take hot lunch on
Friday, May 11
and you could WIN your favorite
playground equipment!
Make your summer active and fun!**

IMPORTANT NOTE TO PARENTS:

Lunch account balances will be carried over to next school year. This includes 6th graders who will be going to Park View Middle School in the fall. Students must have money in their lunch accounts to assure hot lunch service in the fall, so please submit payment to your school office immediately. Online payment is available on your school website. Find "Parents/Students" on the menu bar at the top of the page. Click "Online Payments." Thank you for helping to keep our records up to date!

This institution is an equal opportunity provider.
