Absences,
Late Arrivals,
Early Departures,
Planned Absences

What if a student is absent, late, or needs to leave early?

We rely almost exclusively on our 24-hour a day attendance phone line (363-6200, option 1) for parent/guardian reporting of student absences, late arrivals, and early dismissals.

- Notes are not accepted -

If calling the attendance line prior to 9:30 a.m., please leave a recorded message. If calling the attendance line between 9:30 a.m. – 3:30 p.m., an attendance clerk should be available.

Absences - MHS has a 24-hour a day attendance line (**363-6200, option 1**). **Please call the attendance line before 8:00 a.m.** the date of an absence whenever possible – leaving a message on the answering machine with the student name, date, grade, and reason for absence. If a call is not placed, the parent/guardian will be contacted by the Attendance Office. **Homework requests** should be made online by emailing the student's teachers from the teacher's link on our school's website.

Late Arrivals - MHS has a 24-hour attendance line (**363-6200, option 1**). **Please call the attendance line as soon as a late arrival is known or before 8:00 a.m. the date of the late arrival.** Give the student name, date, grade, reason for the late arrival, and expected time of arrival. Upon student arrival at school, the student needs to stop at the Attendance window for a pass.

Early Dismissal –

- **If the student is aware** of the early dismissal, time, and location of pick-up: **Please call the attendance line (363-6200, option 1) as soon as an early dismissal is known.** Leave the student's name, grade, and date of early dismissal, reason, and time of departure. Students should pick up his/her pass to leave from the Attendance office after first period, during passing time, or whenever possible. The student will then be able to leave the building at the scheduled departure time with a pass in hand. Students do not need to check out at the main office or attendance office later in the day nor does the parent need to enter the building for check-out when it's time to leave if the student has already picked up their pass. Students will present the pass to hall monitors as they go to their locker and depart the building. If returning to school, students are to check in at the attendance office before going to class.

Whenever possible, please communicate the outside pick-up location to your student prior to pick-up.

- **If your student is unaware** of an early dismissal time: Please call the main office (363-6200, option 0) as soon as an early dismissal is known. Provide the Main Office personnel with the name of the student, time he/she is leaving, you will then be transferred to the Attendance office voicemail. Provide the student's name, grade, reason, and time for leaving, and any special pick-up directions, and that the Main Office is aware of this early dismissal.

Whenever possible, please communicate early dismissal details with students regarding prior to the beginning of the school day, including location of pick-up. If last-minute arrangements have been made, the Main Office will make every effort to get a message to a student during the school day – contacting a student during gym or lunch may be difficult.

Recommended Student Pick-up Locations:

- Prior to 2:15 p.m.** Front doors (Hwy. NN frontage road) by library, or front doors (Hwy. NN frontage road) near flagpole
