

Good Afternoon:

When all students and staff return to school on Tuesday, January 2nd – there will be a new MHS Main Entrance just east of the current Main Entrance. This is where all students should be dropped off/picked up before, during and after school. All visitors should use this entrance to access the building. After the school day begins at 7:30 am the doors will be locked and all students/visitors will need to ring a buzzer to gain entrance into the main foyer where all can sign in at the Attendance Office.

NOTE: Please do not use the East parking lot to drop off/pick up students. This parking lot is for buses, staff and construction vehicles only. Thank you.

Between the hours of 6:30 - 7:30 am and 2:30 - 3:30 pm – gates will be closed that will separate the visitor and parent student drop off/pick-up area from the student parking area.
