Roasted Chicken or Turkey in Gravy

Thank you to all students and staff that donated blood yesterday! It was a great turn out and together we helped save many lives with all of the donations. A BIG shout out goes to Mr. Scherbarth and the student government kids for putting this together. We hope many of you will help save a life by donating blood next school year! (11/17)

Lost and found items will be donated to a worthy cause on Monday. If you are missing any items, please come to the main office and take a look. (11/17)

Today is the last day for our shoe drive. These donated shoes will be sent to Belize for children who are without. To donate, you can drop them off in Mrs. Bristol's, Mrs. Dianich's or Ms. Klein's rooms by the end of the day today. Thanks for making this a successful project! (11/17)

Attention Fall Athletes: If you have not cleaned out your lockers in the athletic locker rooms and are not part of a winter sport, please do so immediately. Only in-season athletes are allowed to have lockers in the varsity locker rooms. Lockers need to be cleared out by end of the day today. (11/17)

Now here's Ed Moustis and Rory Sherrod as Grandpa and Henderson in this weekend's play:

G: A play? Is that where my tax money is going to?

H: You Can't Take It With You is more than a play! It's an experience for all ages.

G: But why would I waste my weekend going to the high school when I could read the newest article?

H: Well if you come to MHS on the 17th, 18th, and/or 19th, you can see things like snakes, explosions, and young love.

G: Snakes? I'm intrigued.

H: This weekend, see you there! (11/17)

Please stand for the Pledge of Allegiance.....
