Attention anyone that would like to be a HS Football Manager next year please attending a brief meeting in Coach Iverson's room at the end of your second final on Thursday. If you cannot make the meeting make sure to see Coach Iverson during the day Thursday.

This is your last announcement and reminder for this school year! EVERYONE must clean out your lockers for the summer! Due to the constructions some lockers may be moved so you must have everything out of them. If you have books in there take them back to your teacher, if you have school supplies you no longer want or need bring them to Mrs. Roberts in the AP Office.

Please stand for the Pledge of Allegiance.....
