TRACY A. STOCKWELL
Principal

We are pleased to announce that Prairie View Elementary, located in the Mukwonago Area School District, was one of 337 schools recognized by U.S. Secretary of Education Arne Duncan on September 30 as National Blue Ribbon Schools for 2014. All of these schools demonstrate that all students can achieve at high levels and that gaps in achievement can be closed. Prairie View joins Mukwonago's Section Elementary in achieving this great honor. In its 32-year history, the National Blue Ribbon Schools Program has bestowed this coveted award on just under 7,900 of America's schools.

The Department honored 287 public and 50 private schools at a recognition ceremony on November 11 in Washington, D.C. Prairie View Principal Tracy Stockwell was on hand to formally accept the award with recently-retired first grade teacher Rita Keber.

The National Blue Ribbon Schools Program honors public and private elementary, middle, and high schools where students either achieve very high learning standards or are making notable improvements in closing the achievement gap. The award affirms the hard work of students, educators, families and communities in creating safe and welcoming schools where students master challenging content.

Congratulations to our students, staff and the entire Mukwonago community. Prairie View is pleased to represent the district and its commitment to education.
